## For Payment of Union Dues via Direct Debit

Members can pay their union dues in advance through a weekly payment on average of **\$17.40** from their bank, building society, credit union or credit card. The amount will depend on when you return the form to the office. If it is at the start of the term i.e. if there are 26 weeks left in the term you will pay \$17.40 per week, if there are 13 weeks left in the term for the 1<sup>st</sup> term you will pay \$34.80 per week and then the next term it will drop down to \$17.40 per week. Simply complete this authority and return to the union office (not your financial institution). Please remember that if you have a bank account in joint names, you must both sign the authority to deduct.

**You will receive a new Union card each term in advance of the turn of the ticket.**

## How does it work?

- Once we have received your signed authority the weekly amount will be debited from your nominated account every Friday. If the due date falls on a day that is not a business day, your account will be debited on the Thursday before.
- Most banks don't charge any processing fees for payments it makes under this request.
- You must ensure there are sufficient funds in your account each week to cover the transaction. Insufficient funds will incur a charge on your account.
- If your payment rejects more than once you will be removed from the scheme.
